

INSOMNIA CURED

Dr. Williams' Pink Pills Restored Wrecked Nerves to Normal Condition and Good Health Followed.

The sufferer from sleeplessness too often resorts to habit-forming drugs in order to secure the coveted rest. But sleep obtained by the use of opiates is not refreshing and the benefit is but temporary at best.

Mrs. H. A. Fletcher, of 59 Blodgett street, Manchester, N. H., is living evidence of the truth of this statement. She says: "I received a shock of an apoplectic character. It was so severe that the sight of my right eye was affected, causing me to see objects double. I was confined to my bed about four weeks, at one time being told by the doctor that I could not get well. When I could leave my bed I was in such a nervous state that I could not sleep at night. I would get up and sit on a chair until completely tired out and then go back to bed and sleep from exhaustion."

"I had been under the doctor's care for six weeks when my sister, Mrs. Loveland, of Everett, persuaded me to try Dr. Williams' Pink Pills for Pale People. I began taking the pills with the result that I soon experienced relief. One night soon after taking them I lay awake only a short time and the next night I rested well. From that time I slept well every night and soon got well and strong. I have recommended Dr. Williams' Pink Pills a number of times, and my niece has taken them for weak nerves and poor blood and found them very beneficial."

Dr. Williams' Pink Pills have cured many severe nervous troubles, headache, neuralgia and sciatica as well as diseases of the blood such as anemia, rheumatism, pale and sallow complexions and many forms of weakness. All druggists sell Dr. Williams' Pink Pills, or they will be sent by mail postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Survival of Ancient Belief.
It is an ancient belief that a man's name has some mysterious sympathy with his nature, whence arise such stories as that of Rumpelstiltskin, whose power over a human being vanishes the moment that his name is pronounced aloud. It has been suggested, with some show of reason, that the modern practice of "naming" a refractory member of the house of commons is merely a survival of this belief, which our Norse ancestors brought into England.—St. James' Gazette.

A Well-Known Remedy.

One of the oldest, safest and most favorably known remedies in the world to-day is Brandreth's Pills—a blood purifier and laxative. Being purely vegetable, they can be used by old or young with perfect safety, and while other remedies require increased doses and finally cease acting altogether, with Brandreth's Pills the same dose always has the same effect, no matter how long they are taken. One or two pills taken each night for a while is the best thing known for any one troubled with constipation, indigestion, dyspepsia or any trouble arising from impurity of the blood.

Brandreth's Pills have been in use for over a century, and are for sale everywhere, plain or sugar-coated.

FEARFUL PAINS

SUGGESTIONS HOW WOMEN MAY FIND RELIEF.

While no woman is entirely free from periodical suffering, it does not seem to be the plan of nature that women should suffer so severely. This is a severe strain on a woman's vitality. When pain exists something is wrong which should be set right or it will lead to a serious derangement of the whole female organism.

Thousands of women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Compound overcomes woman's special pains and irregularities.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Nellie Holmes, of 540 N. Division Street, Buffalo, N. Y., writes:

Dear Mrs. Pinkham:—
"Your medicine is indeed an ideal medicine for women. I suffered misery for years with painful periods, headaches, and bearing-down pains. I consulted two different physicians but failed to get any relief. A friend from the east advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and no longer suffer as I did before. My periods are natural; every ache and pain is gone, and my general health is much improved. I advise all women who suffer to take Lydia E. Pinkham's Vegetable Compound."

Mrs. Tillie Hart, of Larimore, N. D., writes:

Dear Mrs. Pinkham:—
"I might have been spared many months of suffering and pain had I only known of the efficacy of Lydia E. Pinkham's Vegetable Compound."
